SIR

Adverting to your letter No L 6756/ 1 143-38-5 dated 26th February 1939 stating that the Government is not in favour of sanctioning the proposals of the Municipal Council regarding the robes etc, to be worn by the Honorary President of this Council on ordinary and ceremonial occasions I have the honour to state that Mr V Govindarajulu, the previous President placed a memo before the Municipal Council on 20-12-1943 to the effect that such robes etc, were very necessary and that a sum of 1,000/- had been provided in the current year's budget for the purpose This was considered by the Municipal Council at their meeting held on 31-3-1944 when after a long deliberation the Council have resolved that such robes etc as recommended by the previous robes committee may be approved, as suggested by the previous President copy of the Council resolution of 31-3-1944 along with a copy of the resolution of the robes sub committee dated 24-11-1938 is hereby enclosed for favour of information and orders of Government

Proceedings of the meeting of Council dated 31-5-1944

56 President's Note regarding sanction to the robes to be worn by the Honorary Presidents, as previously resolved by the Robes Sub Committee on 2-11-1938

Mr K P Nagaraja observed that some of the members did not know the details of the recommendations made by the Robes Sub Committee and suggested that the matter may be referred to the Manage Committee

Mr T Narayana Iyengar felt that incurring an expenditure in this behalf would be of no use and so it may be dropped

Mr B N Gupta speaking next said that referring to any Committee would mean delay further, they all felt the necessity for the robes etc , and hence they may approve of the President's Note

Mr D Venkatarathnappa observed that it was quite fitting that the President's Office should have its full complements, that to keep the dignity of the Office it was but right that such things like robes etc should be given to the President and said that the Note may be approved

The Commissioner explained to the House that in Madras the Mayor had a separate chair, very ornamented and dignified, robes chain etc , and that the whole thing was very dignified and majestic

At this stage, Mr K P Nagaraja withdrew his deferring motion

Mr Ramalal Thiwari opposed the Note stating that it was better they deferred it till the Municipality was converted into a Corporation like Madras and that this would certainly be done after the retrocession of the Station

Mr M Gopalaswamy Iyengar also opposed the Note and said that he was no believer in robes etc that these complements were not very essential for doing their work as Councillors or President and that it was an unnecessary expenditure

Mr M V Veerappa supported Mr Gupta and said that such things would add to the dignity of the Office of the Council as a whole

Mr P Shivashankar speaking next said that the Council should not feel shy to sanction the small expenditure for this small item after all, this was not a small Municipality but was as big as any other Corporation in India and said that they should not lag behind in such matters So he said that the Note of the President may be approved

Mr A J Khaleel also supported Mr P Shivashankar

Then the President's Note was passed 14 voting FOR and 6 AGAINST
